Highlights

Ground coffee and pads

For your convenience you can choose between ground coffee pads

15 bar pump

High pressure ensures that the ground coffee entire aroma is always fully extracted

Automatic shut-off

The machine is energy efficient and it turns automatically off after 30 minutes.

Pressurized Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema – whatever coffee blend you may choose.

Quick heat boiler

Your machine is always ready. You don't have to wait between brewing each espresso, but can prepare coffee after coffee.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!
