Panda Antivirus Pro 2014

Much more than
a simple antivirus

Want to enjoy hassle-free protection at an unbeatable price? Panda Antivirus Pro 2014 is the solution for you.

What does **Panda Antivirus Pro 2014** offer?

Collective Intelligence = Intelligent scanning.

A new threat is identified and in a matter of seconds all Panda Security's customers worldwide are protected.

Advanced protection against viruses and hackers = An impenetrable barrier.

Immediate protection against all types of known and unknown threats thanks to Panda's Cloud technology.

Rescue kit = Your lifesaver.

Recover any computer should a virus prevent you from using it. You can also help anyone else with an infected computer by creating a rescue USB drive.

Personal firewall = Your defensive wall.

Firewall with WiFi security that blocks intruders and hackers, even in your wireless network.

Multimedia/Gaming mode = Keeps you safe without interrupting your fun.

Enjoy the multimedia world and play without disruptions! Your antivirus keeps watch without interfering.
