## Sharp and Bright screen

The ARNOVA 9 G2 comes with a new 9.7" multitouch screen with IPS technology.

This next generation of LCD screen brings you amazing image quality and extra wide viewing angles. This advanced displayed technology gives you the best possible viewing experience no matter whether you are inside or outside.

Watch videos and photos and admire true vivid colours, images have never been so clear on a tablet screen. With its large 9.7" screen in 4:3 format, the ARNOVA 9 G2 is ideal to read ebooks, newspapers and magazines comfortably in portrait mode.

## Access the world of Android™ apps

### Android™ applications ready for your tablet

ARNOVA has pre-installed for you a smart selection of Android apps ready to be used straight out of the box. If you need more, you can also access the huge choice of applications from AppsLib.

Download what you need: latest 3D games, news, communication, office software, ebooks everything is right here just under your fingertip.

### Fast & easy access to the latest news

Use either the web browser or an application to keep you informed of live news. Access your favourite news-papers, sports or financial information by tapping the touch screen. Thanks to the AppsLib rating system be informed of app popularity before you download it!

### All the information with a single tap!

Set up different services to appear as live widgets on 5 different Android home screens. So you can stay tuned with the information that matters to you.

## HD Multimedia Experience

Its new generation of powerful 1 GHz processor delivers an amazing HD playback experience up to 1080p, smooth photo slide shows and fast web navigation. With its 8GB embedded memory, load your HD video files and watch them on the striking 9.7" IPS display.

### **Video, Photo and Music entertainment**

The ARNOVA 9 G2 provides the best HD multimedia experience when you are on the go. The device is able to play HD files up to 1080p definition without any conversion needed. The major file formats are supported whether it is video, audio or text content. And it's easy to transfer your files into the built-in or extended memory with simple drag and drop.

### **Extra features**

With the micro SD slot load your whole pictures, videos and music library. Wherever you are, you can always keep your files with you.

The USB port also allows you to connect all sort of external device such as: USB memory drive, Keyboard, mouse...

Want to share your media on the ARNOVA 9 G2 ? Pump up the volume and enjoy the clear quality sound through the 2 built in stereo speakers.

The front facing camera lets you take pictures in every situation or make video calls to stay connected with all your friends and family anytime.

### **3G Ready**

The ARNOVA 9 G2 is fully compatible with the ARCHOS G9 3G Stick\*\*. This USB Stick brings the 3G connectivity to your ARNOVA 9 G2 tablet via the USB port.

All you have to do is to put a data Sim card into the stick, plug it to your tablet and start surfing at 3G speed. Stay connected wherever you are!

### **Android™ 2.3 Gingerbread embedded**

The ARNOVA new generation integrate the optimised Google mobile operating system: Android™ Gingerbread.

Better user interface design with new themes, easier multitouch keyboard and faster internet navigation.

Android™ 2.3 will let you play with the many features supported by the ARNOVA 9 G2

## Full web experience

Browse the web quickly and smoothly thanks to the powerful 1 GHz processor. No more laggy websites. Appreciate the real full web experience on the fast responsive 9.7" Multitouch screen and navigate your favourite websites. Flash™ support lets you watch and access to any flash content such as Youtube™ videos. With its large 9.7" screen in 4:3 format, the ARNOVA 9 G2 is ideal to read ebooks, newspapers and magazines comfortably in portrait mode. Really see the size advantage when surfing the web, pages are perfectly reproduced and displayed exactly like a PC. No need to scroll anymore.

## Keep connected with your friends through social networking & chat

### applications

This new tablet lets you stay in touch with your family and friends anytime of the day thanks to social networking & chat applications. With its redesigned 5 point multitouch keyboard, it's a breeze to write text and emails on the ARNOVA 9 G2.

### Email application

Once connected to the WiFi network, the ARNOVA 9 G2 lets you manage your email accounts whenever you want. You can configure a variety of email accounts, giving each member of the family quick and easy access to their own messages.

Even if you are on the go you will be able to synchronize and receive your important business emails.
